Project 2027 — Emergency Repairs in 100 Days

Authoritarian tactics are already here: court orders ignored, masked agents snatching civilians, civil servants threatened with loyalty purges, critics punished for speech, and elections warped by dark money. Project 2027 is how we stop it.

Elect leaders who will pass the Five Guarantees through seven ready-to-file bills in the first 100 days of the next Congress.

The Five Guarantees

- Accountability — The law applies to everyone, presidents included.
- Fair Elections — Every vote is counted and weighted equally.
- Clean Money — Dark money is exposed and foreign influence is blocked.
- Ethical Courts — Judges follow enforceable ethics and recusal rules.
- Professional Government — Public service depends on merit, not loyalty tests.

Top Priority Repairs

- Emergency Rule of Law Restoration Act — Ends “official act” immunity and fast-tracks accountability.
- DOJ & Civil Service Integrity Act — Blocks Schedule F–style purges and protects whistleblowers.
- Federal Officer Accountability & Due Process Act — Stops secret detentions and mandates rapid judicial review.
- Free Speech & Anti-Retaliation Act — Shields journalists, academics, and civil servants from political punishment.
- Democracy Defense & Fair Representation Act — Ends partisan gerrymanders and empowers independent commissions.
- Secure Elections & Voter Access Act — Delivers paper ballots, audits, and convenient voting options.
- Clean Money & Ethics Enforcement Act — Modernizes the FEC and bans foreign-influenced spending.

Five Guarantees. Seven Bills. One Hundred Days. End Authoritarian Rule.
