Project 2027 Launches Seven-Bill Blitz to Restore the Rule of Law

An anonymous civic initiative today unveiled **Project 2027**, an emergency roadmap to end authoritarian practices in the United States within the first 100 days of the next Congress. The plan responds to a year of escalating abuses — presidential immunity claims, masked federal snatch squads, loyalty purges aimed at career experts, and retaliation against journalists and universities.

"We do not have time for white papers. We have 100 days to close the loopholes that let strongman tactics take root," said a Project 2027 spokesperson. "No kings. No strongmen. Just laws."

Project 2027 rallies candidates and officeholders around the Five Guarantees and a prioritized package of seven bills:

- **Emergency Rule of Law Restoration Act** — Makes clear no federal officer is above criminal law and fast-tracks court review.
- **DOJ & Civil Service Integrity Act** — Blocks Schedule F–style purges and protects whistleblowers and inspectors general.
- **Federal Officer Accountability & Due Process Act** — Requires visible identification, body cameras, and rapid hearings for any federal detention.
- **Free Speech & Anti-Retaliation Act** — Stops governmental coercion and political retaliation against journalists, academics, and civil servants.
- **Democracy Defense & Fair Representation Act** — Ends partisan gerrymanders and backs independent redistricting.
- **Secure Elections & Voter Access Act** — Delivers paper ballots, risk-limiting audits, and accessible voting nationwide.
- **Clean Money & Ethics Enforcement Act** — Modernizes the FEC, exposes dark money, and bans foreign-influenced political spending.

"Voters deserve more than outrage; they deserve a concrete plan with bill names, deadlines, and accountability," the spokesperson added. "If you adopt Project 2027, you adopt the Five Guarantees and this seven-bill blitz. If you will not, explain why you want to leave authoritarian tools on the table."

Project 2027 calls on every candidate to sign the Project 2027 pledge, display the supporter badge, and commit to filing the legislation on Day One.
